Have U

awfultune

One, two, three, four

I remember being six years old
Waiting for the living room to be full of gifts for me
For me

Tell me, where's the time gone?
Where did all the magic go for me?
For me

And I could have sworn I was a kid again
When we talked
On the seventeenth
I never knew December could be this sweet

But I know this Christmas
I'll have you

I don't need presents under my tree
Or friends and family
'Cause I have you

I know this Christmas
I'll have you

I don't need to go outside and freeze
When I'm feeling free
Now that I have you

Bum-bum-bum-bum
Now that I have you
Bum-bum-bum-bum-bum

All I want this Christmas is you
I'd have an awful Christmas without you
Said, all I want for Christmas is you
I'd have an awful Christmas without you

Bum-bum-bum-bum

Merry Christmas everyone
And have a happy new year!
