

# Like He Does

awfultune

It's not that hard  
To get along with me  
It's not that hard  
To tell me that you're sorry  
It's not right  
The way you treat me  
It's not right  
To leave me hanging  
And wondering

Why I sit around  
Feeling bad about myself  
When I know that I'm in doubt  
And I'll figure it all out  
Why you're always at my door  
And why you always want more  
And I'm hanging on a thread  
That's about to break and leave me dead

You don't love me like he does  
You don't hear me like he does

He found my color  
Buried beneath my dark  
He found the answers  
That you couldn't give me from the start  
He let me hold his hand  
And he's everything you aren't  
I'm so sorry that you lost someone like me  
It must hurt

To wonder why you sit around  
Feeling bad about yourself  
When you know that you're in doubt  
And no ones there to help you out  
Why you're always at my door  
Always wanting more  
Why you're hanging from a thread  
That's about to break and leave you dead

You don't love me like he does  
You don't hear me like he does

When you took off my clothes that night  
Because you wanted to  
I didn't know how to feel or even talk to you  
When you used me for my kindness  
And made it all about you  
How was I to know?  
What was I to do?  
When I was doing the best I could  
And he was doing what you never would

You just don't love me like he does  
You just don't get me like he does

He does
