

Mine

awfultune

Too many guys think I'm a concept or I complete them or I'm going to make them alive, but I'm just a fucked up girl who is looking for my own peace of mind. Don't assign me yours

Called her yesterday I hope shes doing fine
I want to call her all the goddamn time
God knows I love her, God knows I try
But I'm gonna make her mine
Sat with her and hugged her while she cried
Cuddled her about a hundred fucking times
She gave me her time and I gave her mine
I miss being between her thighs, yeah

God knows exactly what I'm doing
God knows exactly what I'm doing
God knows I don't have a clue all the time
But I'm gonna make her mine, yeah

Ooh, ooh, ooh, ooh

God knows exactly what I'm feeling
God knows I don't have any feelings
God knows I don't have a clue all the time
But I'm gonna make her mine, yeah

I'm gonna make her mine, yeah
I'm gonna make her, make her, make her
Make her mine
