

Oranges

awfultune

Oranges
In the backseat
When you touched me
Whyd you touch me?
Oranges
In the backseat
When you touched me
Whyd you touch me?

I'm taking extra pills tonight
It doesnt feel right anymore
I dream about what you did
I can't feel this way anymore

Ahh why did you touch me?

Oranges
In the backseat
When you touched me
Whyd you touch me?
Oranges
In the backseat
When you touched me
Whyd you touch me?

O-R-A-N-G-E-S
No means no!
O-R-A-N-G-E-S

Oranges
In the backseat (la la la)
When you touched me (la la la)
Whyd you touch me? (la la la)
Oranges
In the backseat (la la la)
When you touched me (la la la)
Whyd you touch me? (la la la)

Impurity impurity
Come flirt with me flirt with me
I need security security
Can't you see, I'm just a baby
Please don't hurt me, I'm just a lady
They always do, what they wanna do
And love like this, is what I'm used to
