

picking up

awfultune

There's something that I like about you
But I just don't know what it is yet
I tried ignoring it but honestly
I just want to embrace it
Cause you look so cute
And you're my type
Maybe we could hang out tonight?
Cause all my friends say you're alright
Whatever you like, whatever you like

Are you pickin' up
What I'm putting down?
I wanna walk around
Maybe fall in love
Hear those city sounds
I know I should settle down
But is it me, or is it you? Yeah!
I'm trippin' and fallin'
Don't sit this one out
Is it me, or is it you?
Phew, it's getting hot in here now

Are you picking up
What I'm putting down, huh?
What I'm putting down
Baby are you picking up
What I'm putting down huh?
What I'm putting down, huh?
Up, what I'm putting down huh
What I'm putting down
Now tell me are you picking up
What I'm putting down huh
What I'm putting down, huh?

You're such a major vibe
I tell you all the time
But I swear you that you don't hear me
Remember that night
In the summertime
You got too close and (gasp!)
What can I say?
I think about you all day
Living in my head rent free
Baby give me the word
Tell me what you prefer
Cause I'll grab my shit
And I'll leave

Are you pickin' up
What I'm putting down?
I wanna walk around
Maybe fall in love
Hear those city sounds
I know I should settle down
But is it me, or is it you? Yeah!
I'm trippin' and fallin'
Don't sit this one out

Is it me, or is it you?
Phew, it's getting hot in here now

Are you picking up
What I'm putting down, huh?
What I'm putting down
Baby are you picking up
What I'm putting down huh?
What I'm putting down, huh?
Up, what I'm putting down huh
What I'm putting down
Now tell me are you picking up
What I'm putting down huh
What I'm putting down, huh?
