

You're prettier than me  
Face straight out of a magazine  
I wonder if you eat  
Perfect frame and perfect teeth

What's it like being up there?  
I'm picking you apart  
And I don't even know you  
What's it like having perfect hair?  
Do you even care  
Or is that just normal to you  
To you?

You're my biggest fear (ohh, ohh)  
Some days I just stare (ohh, ohh)  
I'm not even here (ohh, ohh)  
So I don't really care (ohh, ohh)

But what's it like being up there?  
I'm picking you apart  
And I don't even know you  
You've always loved yourself  
You don't need help  
And that shit's normal to you  
To you

You're my biggest fear (ohh, ohh)  
Some days I just stare (ohh, ohh)  
I'm not even here (ohh, ohh)  
So I don't really care
