

## Intro III

Awkwafina

Hello ladies and gents  
Welcome back to another episode of "Sunsets and Lovers"  
I'm your host Sabrina Clearwater  
I started this show five years ago after meeting my now live-  
in lover, Juan G.J  
He was a Mexican rug maker  
And when I met him I had been climbing a mountain  
And on that climb I had lost part of my finger  
It was very painful  
But Juan continued to say 'Climb forward, young funyun  
Don't let the pain deter you from reaching the destiny that is my loins.'  
And so I went forward, and we made love 86 hours  
Atop that- Atop that snowy mountainside in the Himalayas  
Now, on my show I take a number of calls from people  
Those who are either experiencing love or reeling from heartbreak  
And uh... I think we should go forward and take our first call  
Kay everyone, let's welcome Ronnie from Sioux City, South Dakota  
Everyone, Ronnie

Yo Doctor, doctor, wait, hol' up  
Kill that music real quick  
Kill that music, hol' up  
Doctor, my dick hurts so bad, I think I sat on it wrong last night  
I was doing pilates and I think I sat on my dick wrong and shit  
That shit hurt so bad  
This morning I woke up, I was in my bed  
With my- with my shoes on- my shoes on- was still on  
And I was like 'my dick hurt though'  
I don't know why my dick hurt so bad  
I never had this hurt so much  
I was at the carnival two days ago  
I was at the carnival two days ago  
I was on a ride, I was goin' up and down  
But my dick didn't hurt that day  
That shirt hurt right now though  
Like I'm trying to go out  
I'm trying to go to the club  
But my dick hurt so bad  
I could only hop on one foot  
With' my- with' my other foot behind my head  
And I could hop a little  
I can't walk like no normal person  
I'm on the street and everyone like  
'Look at that, why his dick hurt so bad? '  
I can't even sit here watch Bones  
I can't even watch Bones right now  
'Cause my dick hurt so bad

Okay... okay. Let's cut this- Let's cut- Let's- Let's- Let's cut this  
Let's cut- okay...  
I don't know what that was  
I think Ronnie might have had the wrong number there  
Ah... but you know what?  
We could look at that call as maybe his dick... uh...  
As a metaphor for his heart  
And how maybe his heart heart hurt so bad  
As opposed to his genital extremities

Uh... let's take- let's take one more call  
This is Carla... Carla from... from Portland, Oregon  
Carla from Portland, Oregon

Nah, nah  
This is Ronnie again 'cause listen  
I don't know why y'all hangin' up  
'Cause in second grade I had two gerbils  
One was named Fufu and the other one was named Joe  
And they both died at the same time  
And I felt so much pain at that time  
And now only that pain can be paralleled  
With the way that my dick hurt right now  
Basically like- like if my my dick was a volcano  
And pain was the lava inside that volcano  
Basically my dick is... basically uh...  
Pretty much swimmin' in that lava  
Like this is Pompeii  
Like in my pants is Pompeii  
And like I'ma tell you the truth  
Because when I go to American Eagle  
I feel like sometimes that make my dick hurt more  
In like a- In like a mental way  
But I'm saying right now that my dick hurt so bad  
And I'm tryna just go down the street  
I'm tryna go to Duncan Donuts  
Get me some of them-  
Some of them hash brown  
Some of them circular hash brown  
With some coconut iced coffee  
So I can start my day  
I don't know if I told you  
But I'm writing this book on- on-  
It's like a romance book  
It's kinda like Don Quijote  
But more of like of- of-  
Of like- like a vampire horror fiction  
I'm tryna write that book  
I'm tryna go to Starbucks  
Drink my Duncan Donuts in Starbucks  
But my dick hurt so bad  
I can't even- I can't even walk to the stove right now  
Like I'm talkin' like I can't even go to Red Lobster  
And have me no clams- cassino  
Because my dick is like the Clams Casino  
Of like my nipples  
Does that make any sense?  
'Cause I can't even watch Bones  
I'm just tryna watch some Bones  
And my dick hurt so bad  
I can't even watch no bones

Okay... Let's cut this... L-l-l-let's cut this
