Awkwafina

I could be your Peggy  
I could, I could be your Peggy

I could be your Peggy  
I could, I could be your Peggy

If you be my Al Bundy  
If you be my Al Bundy, be my Al Bundy  
If you be my Al Bundy

You got Capri Sun  
Mix it in with some Stolis  
Can you really blow smoke O's?  
Can you show me?  
I'm just trying to get to know ya  
You'll get to know me  
Driving in a Maxima  
Playing Bon Jovi, eh

I think you're funny  
Lie down in your pink shades  
And yes I wanna be your Bonnie  
Patti Mayonnaise  
'Cause I can see us passing all of our days  
Watching Netflix, listening to shoegaze, righ?

No, I never get it wrong  
All my friends see how the man got me on  
Waiting for the texts, wait, waiting for the call  
Clarissa can't explain how my shit's fucked up

But I could be your Peggy  
I could, I could be your Peggy  
I could be your Peggy  
I could, I could be your Peggy

If you be my Al Bundy  
If you be my Al Bundy, be my Al Bundy  
If you be my Al Bundy

Afterschool, I used to watch you play handball  
Your Power Rangers cards  
Your Stretch Armstrong  
You won't admit it, but I know you watched Spongebob  
After getting blazed in your car  
Your mom's car

But damn I've never been so sprung  
A-sipping on Stoli and Capris Sun  
Twelve-steps boy better than drugs  
I sniff you off a stick, and shoot you up

But I could be your Peggy  
I could, I could be your Peggy  
I could be your Peggy  
I could, I could be your Peggy

If you be my Al Bundy  
If you be my Al Bundy (yo), be my Al Bundy  
If you be my Al Bundy
