

## Yellow Alert

Awkwafina

10-10 WINS in the whip  
Know I got the G.I. Joe kung fu grip  
Been smoking on some government shit  
This time last year on some 70's shit, ayy  
Flow make a drunk girl strip  
Others get mad when the yellow girl spit  
Yellow girls cringe at a loud mouth bitch  
Got Blues Clues peeps tryna muzzle my shit  
Rep Queens on a motherland tip  
On the boulevard, whole squad get lit  
And the fuckboy squad from the car get flipped  
You's a thot in junior high, now you living off tips

Yellow girls, yellow boys so Springfield  
Yellow pills got me struggling to sit still  
Yellow veggies in my Yoshinoya chicken bowl  
Got a motherfucker pissing gold, let's go  
Trip you on your hoverboard and choke you doing smoke tricks  
Smelling like papayas and your mama's playing dubstep  
I can only take so much before this yellow boy flip
