

Candy Pop

AWOLNATION

Go

Candy Pop, you're making my heart stop
Addicted to your sugar with the cherry on my top, oh
Candy Pop, you're making my heart stop
Addicted to your sugar, you're the cherry on my top, oh

Holy moly, mama
Are you sweating in the sauna?
Do you listen to your parents?
Do you listen to Nirvana?
On vacation, the Bahamas
Do you sympathize with trauma?
You can simplify your life
And masturbate with the piranhas, go

Candy Pop, you're making my heart stop
Addicted to your sugar, you're the cherry on my top, oh
Candy Pop, you're making my heart stop
Addicted to your sugar, you're the cherry on my top, oh

Holy moly, Ally
Are you sweating in the valley?
Do you study astrology?
Do you tend to dilly dally?
Grab a drink at tender alley?
Drop a bomb in Southern Cali
I will skip the introduction
And see you at the finale, go

You and me, baby, sitting in the tree
K-i-ss, baby, -ing
You and me, baby, sitting in the tree
K-i-ss, baby, -ing-g-g

Candy Pop, you're making my heart stop
Addicted to the sugar, you're the cherry on my top, oh
Candy Pop, you're making my heart stop
Addicted to the sugar, you're the cherry on my top, oh

Addicted to your sugar, you're the cherry on my top
Girl
Addicted to your sugar, you're the cherry on my top
