

Cannibals

AWOLNATION

I cannot tell you if you won't understand
I cannot love you if I'm not quite a man
I walk alone another Saturday night
She feels right at home on my mind

The cannibals arrive tonight
A mandatory way of life
The cannibals arrive tonight
A mandatory way of life

How can you save me if you're saving the world
I found the room and she's disguised as a girl
You see me hiding on a Saturday night
She feels right at home on my side

The cannibals arrive tonight
A mandatory way of life
The cannibals arrive tonight
A mandatory way of life

Ooh-ooh-ooh, ooh-ooh-ooh ooh-ooh
Ooh-ooh-ooh, a way to be loved
Ooh-ooh-ooh, ooh-ooh-ooh ooh-ooh
Ooh-ooh-ooh, a way to be loved

The cannibals arrive tonight
A mandatory way of life
The cannibals arrive tonight
A mandatory way of life

To say what you mean to me
Trying to what you mean to me
To say what you mean to me
Trying to say what you mean to me
