Here Come the Runts

AWOLNATION

Last of the Magic
Last of the sun
Last of the hold
Four, three, two, one

Last of devotion
Tune out the stunts
Tune in tomorrow
Here come the runts
Here come the runts

Here come the runts
Here come the runts
Ah yeah

Come one come all
Here come the runts
Here come the runts

Ah yeah

Okay I am a runt
Baby you are a runt
Baby we are the runts

I am a runt
Baby you are a runt
Baby here come the runts

I am a runt
Baby you are a runt
Go and gather the runts

I am a runt
Baby you are the runt
Mama here come the runts
