AWOLNATION

The sweet, sweet heaven feels like defeat, yeah
The gold, gold blood it comes from my feet, yeah
The bitches keep bitching
Twitching, don't you know
I know nobody knows so baby don't go, baby don't go-o
(Ah-ha)

Baby,
It's cold blood, cold blood
Cold blood, cold blood
Cold blood, cold blood
Cold blood
Cold. Blood.
Cold blood, c-c-cold blood
Cold Blood, c-c-cold(Cold) blood
Cold Blood, c-c-cold blood
Cold blood, c-c-cold blood

The gold, cold thunder hole in her chest, yeah
The rubies and gold are from the hole in her chest, yeah
But to learn something take nothing from me
I know that love is a terrible, terrible thing
(Ah-ha)

Baby,
It's cold blood, cold blood
Cold blood, cold blood
Cold blood, cold blood
Cold blood
Cold. Blood.
Cold blood, c-c-cold blood
Cold Blood, c-c-cold (Cold) blood
Cold Blood, c-c-cold blood
Cold blood, c-c-cold blood

(I'm sorry)

Ahhhhhhhhhhhh
Eyes are all around me now they see now they don't
Eyes are all around me like they're looking at a ghost
Eyes are all around me
Now they see me now they don't
Her eyes are all around me 'cause she's looking at a ghost
And I cried and I cried, I cried
Because I still love you the most.
Her eyes are all around me 'cause looking at a ghost
Her eyes are all around me now they see me now they don't
And I cried and I cried, I cried
'Cause I still love you the most

Ah
Her eyes are all around me, now
Her eyes are all around me
Her eyes are all around me now 'cause she's looking at a ghost

Cold blood, c-c-cold blood
Cold blood, c-c-cold blood

Cold blood, c-c-cold blood
Cold blood, c-c-cold blood
