

Slam (Angel Miners)

AWOLNATION

Riptide, worldwide
All seeing paradise
Amen out of sight
Paranoia

Always someone watching
Always someone watching
Always someone watching
Over you

Bounce, bounce... Slam

Me and my angel
We can do the twist
Come a little closer
We can coexist

OK so me and my angel
Dancing on a ship
Party with the vultures
We can coexist

Rain, rain blurry eyes
Hard days, summer nights
Me, myself and I
Paranoia

Always someone watching
Always someone watching
Always someone watching
Over you

Always someone watching
Always someone watching
Always someone watching
Over you

Me and my angel
We can do the twist
Come a little closer
We can coexist
OK so me and my angel
Dancing on a ship
Party with the vultures
We can coexist

Everybody
Oh, oh, oh, oh, oh, oh
Oh, oh, oh, oh, oh, oh

ANGEL MINERS AND THE LIGHTNING RIDERS, FOOL

Oh, oh, oh, oh, oh, oh
Oh, oh, oh, oh, oh, oh
