

I Can't Help Myself

Axe

Sugar pie, honey bunch
You know that I love you
I can't help myself
I love you and nobody else
In and out my life
You come and you go
Leave just your picture behind
And I kiss it a thousand times
When you snap your finger or wink your eye
I come a-running to you
I'm tied to your apron strings
And there's nothing that I can do
Sugar pie, honey bunch
I'm weaker than a man should be
I can't help myself
I'm a fool in love you see
When i call your name
Girl, it starts the flame
Burning in my heart
Tearing me apart
No matter how I try
My love I cannot hide
Sugar pie, honey bunch
You know that I love you
I can't help myself
I love you and nobody else
Sugar pie, honey bunch
You know that I'm weak for you
I can't help myself
I love you and nobody else
