

Who Will You Run To

Axe

When your world is a prison
And you're trapped there alone
You wake up so empty
The sheets feel like stone
I know you're gonna try to come to me
Like each time you're lonely
You know I'm gonna turn my back on you
'Cause this time it's over

Tell me, who, who will you run to
When there's nowhere you can go?
Tell me, who, who will you run to
When you call and I say no?

You promised that this was the last time
But I've heard it all before
Tell me, who, who will you run to?
Where will you go?

Like each time you're cryin'
You want to be free (want to be free)
You want me to give it all to you
You give nothin' to me
I ain't gonna stand here while
You make a fool of me
This time I won't be there
And that's how it's goin' to be

Tell me, who, who will you run to
When there's nowhere you can go?
Tell me, who, who will you run to
When you call and I say no?

You promised that this was the last time
(Last time)
But I've heard it all before
Tell me, who, who will you run to?
Where will you go?

You'll always keep runnin'
'Cause it's the only thing you know
You'll always be back
'Cause it's the only place you can go

Who, who will you run to
(Who will you run to?)
When there's nowhere you can go?
Tell me, who, who will you run to
(Who will you run to?)
When you call and I say no?

You promised that this was the last time
But I've heard it all before
So tell me, who, who will you run to?
Where will you go?

Who will you run to

When there's nowhere you can go?
(Where will you go?)
Tell me, who, who will you run to
When you call and I say no?

You promised that this was the last time
But I've heard it all before
So tell me, who?
(Who will you run to?)
Where will you go?
