

Nowhere

Axel Flovent

I get stuck on a page and I don't wanna move
I seek comfort in being without something to prove
I promised you this and I promised you that
But what is a man who can't carry his back

I don't know where I should go
When everything I've told you
Is not true anymore

I turn on the car without knowing where I'll stay
I've burned all the bridges I built on the way
How can a year go by so quickly
Self pity will stop me from trying

I don't know where I should go
When everything I've told you
Is not true anymore
