

Black Cat Woman

Axel Rudi Pell

She's got the eyes of a black cat
She's got the looks of a demon
She's got the eyes of a black cat
She's got the looks of a demon

Get back black cat, why don't you leave me?
Get back black cat, why don't you go?
Get back black cat, why don't you leave me?

Get back black cat, why don't you leave me?
Get back black cat, why don't you go?
Get back black cat, why don't you leave me?

She's always there when she wants you
She casts a spell and she's got you
She's always there when she wants you
She casts a spell and she's got you

Get back black cat, why don't you leave me?
Get back black cat, why don't you go?
Get back black cat, why don't you leave me?

Get back black cat, why don't you leave me?
Get back black cat, why don't you go?
Get back black cat, why don't you leave me?

Get back black cat, why don't you leave me?
Get back black cat, why don't you go?
Get back black cat, why don't you leave me?

Won't you leave me?
