

Sarah (You Take My Breath Away)

Axel Rudi Pell

Sarah
Oh I need you
Sarah
You take my breath away
Sarah oh oh
Gotta have you
Sarah
You take my breath away

Another restless night without you
Secret feelings locked away
I close my eyes and think about you
I memorize each word you say

Emotions tear me apart
Thoughts never spoken are here in my heart

Sarah
Oh I need you
Sarah
You take my breath away
Sarah oh oh
I gotta have you
Sarah
You take my breath away
Take my breath away
Take my breath away

Every day you pass beside me
Never once you look my way
The inner conflict that's inside me
To try and find some words to say

Emotions tear me apart
Thoughts never spoken are here in my heart

Sarah oh oh
I need you
Sarah
You take my breath away
Sarah oh oh
I gotta have you
Sarah
You take my breath away
You take my breath away
Take my breath away

Sarah oh oh
I need you
Sarah
You take my breath away
Sarah oh oh
Gotta have you
Sarah
You take my breath away
Take my breath away
You take it away

Sarah
Oh oh oh I need you
