Matter Of Time

Axium

Forseen changing
Played along
Lived a life by right and wrong.
You've always been the one to say
that we would never even see this day.

We'll fight for what we believe
and we'll strive to live and achieve
and to be everything in mind
it's only a matter of time.

It's been a while
we're still here.
How quickly we rose
to claim this fear.
We're standing tall and we're standing strong
In the light, right where we belong.

We'll fight for what we believe
and we'll strive to live and achieve
and to be everything in mind
it's only a matter of time.

We'll fight for what we believe
and we'll strive to live and achieve
and to be everything in mind
it's only a matter of time.

It's only a matter of time.
