

# Matter Of Time

Axium

Forseen changing  
Played along  
Lived a life by right and wrong.  
You've always been the one to say  
that we would never even see this day.

We'll fight for what we believe  
and we'll strive to live and achieve  
and to be everything in mind  
it's only a matter of time.

It's been a while  
we're still here.  
How quickly we rose  
to claim this fear.  
We're standing tall and we're standing strong  
In the light, right where we belong.

We'll fight for what we believe  
and we'll strive to live and achieve  
and to be everything in mind  
it's only a matter of time.

We'll fight for what we believe  
and we'll strive to live and achieve  
and to be everything in mind  
it's only a matter of time.

It's only a matter of time.
