

Belong

Axwell

Take a look at how I'm doing
There's only so much to get me through the day
Take a deep breath of a smell that I, that I once knew

From a whiff of perfume and I, I think of you

Then I close my eyes and let myself go
Far, far away and long, long ago
Together in the days of silver and gold
Far, far away and long, long ago
And I'm back, I'm back where I belong
Only now, I'm back where I belong

Only now, I'm back where I belong

Only now, I'm back where I belong

Then I close my eyes and let myself go
Far, far away and long, long ago
Together in the days of silver and gold
Far, far away and long, long ago
And I'm back, I'm back where I belong
Only now, I'm back where I belong

Only now, I'm back where I belong

And I'm back, I'm back where I belong
Only now, I'm back where I belong
