

# Lost In The Darkness

Axxis

Deep dark forest - I get lost  
Out of sight - nothing to trust  
Silence drives me to despair  
This is a nightmare  
Veil of mist across my way  
Don't look back- don't stay

I'm lost in the darkness  
- Lost in the darkness  
shadows of eternity  
I'm lost in the darkness  
- Lost in the darkness  
Don't believe in things you see  
Find a way out of this haze  
- Motionless - I just gaze

I'm lost, I'm lost, I'm lost

All the trees are scaring me  
It seems they live and watch me  
Dark and dangerous mystic atmosphere  
That's more than I could bear  
I can't see - I get lost  
- There's nothing I can trust

I'm lost in the darkness  
- Lost in the darkness  
shadows of eternity  
I'm lost in the darkness  
- Lost in the darkness  
Things are not how they would appear

Everytime when I think that I get lost  
There's a small inner flame  
That I can trust  
Tending signs to heaven  
So I can follow blind my way back home  
- To you -  
I will reach out for the signs in the sky  
I'm lost, I'm lost, I'm lost

Panic's running down my back  
Spilling out my - cold sweat

I'm lost in the darkness  
- Lost in the darkness  
shadows of eternity  
Lost in the darkness  
- Lost in the darkness  
Don't believe in things you see  
Lost in the darkness  
- Lost in the darkness  
Shadows of eternity

I've lost my way - I've lost my way  
- I've lost my way - to you
