

# Save Me

Axxis

Save me  
The earth was young  
When I was sown  
Deep inside this land

Save me  
Helpless I stand here alone  
Waiting for my end

Save me  
Centuries have flown away  
But I know my time has come  
Save me  
No escape - I cannot stay  
Do they know what they have done ?

Save me  
If you save me you'll save yourself  
Why don't you understand ?

Save me  
Your fate will be sealed  
If you destroy me  
You will live in a wasteland

My life is your life  
And your life is mine  
We belong together  
Since the beginning of all time

If I were a man  
I know what I would think:  
"Life is a chain  
and we're all its links!"  
So all that you can do is to...

Save me, save me, save me  
Save me, save me, save me

Wars and pain and misery  
I've survived - I still exist  
I've lived through your history  
And watched you through the mist

My life is your life  
And your life is mine  
We belong together  
Since the beginning of all time

If I were a man  
I know what I would think:  
"Life is a chain  
And we're all its links !"  
So all that you can do is to...

Save me, save me, save me...
