

## Voices Of Destiny

Axxis

Sacrificed - I'm sacrificed  
Sacrificed - the world in fire  
Sacrificed - the world in flames  
Paralysed - the deep desire  
Paralysed - you take the blame  
Destiny - and now will be your destiny  
The world is mine  
Destiny - the doom of heaven  
Destiny - I hear you cry  
Destiny - the doom of heaven  
Hear me cry
