

Feel Better

Ay Em

Pouring grease thought it make it heal better
Life's gamble taking risks I just gotta deal better
He popped a pill thought it make him kill better
Wearing drip in his cell just to make him feel better
I done cried now I think I'm tearless
Almost never made it home because I was so careless
Old school Kenya was the nicest yeah
Every year felt like the wildest yeah
There's a drink for me I line it yeah
Tried to get me on a night shift yeah
Yeah
But I parked off
Cheekst the pack walked out the lot car lot
Life's full of hard knocks

And there ain't no plan b
Said she lost me bitch you ain't never had me
I Had dreams then I lost em on the back street
It's how it goes goes
It's just me and coco
I won't ever you dirty I ain't
Low low
Woah
Woah woah
Das a no no
Steady fighting cases
Hoping that he don't go
Hope he don't go down

Listen to me, can you take me in
Caught a m n he wished he missed
Ouuu
What can I tell you it's the way it is
They say you dying the way you lived ehh

Pouring grease thought it make it heal better
Life's gamble taking risks I just gotta deal better
He popped a pill thought it make him kill better
Wearing drip in his cell just to make him feel better
I done cried now I think I'm tearless
Almost never made it home because I was so careless
Old school Kenya was the nicest yeah
Every year felt like the wildest yeah
