

## Jon Snow

Ay Em

On hold (On hold)  
Hmm, that work, get rid of that Jon Snow (Jon Snow)  
Hmm, breezy  
Moscow (Moscow)  
Ayy, I want it in bulk like Costco (Costco)  
Uh (Uh), shit (Shit), I played my part (I played my part)  
I played mine, it's the hand I got dealt with  
I just played my cards (Uh-huh)  
Shit, I fucked up  
I'm good, Alhamdulillah  
Big beard, got lion on my face, looking all Mashallah  
Shit, it could've went left  
South Peak  
Certainly, I can't speak  
I'm in too deep, I can't leave  
Police won't let me be  
But wurdudom still on me  
Open your eyes, you'll see  
We dishing out coke for free

Ayy, I'm sure it's vice versa (Vice versa)  
Big time piece on me with a, so I know I'm certain (Certain)  
Looking like the prince of Persia (Persia)  
And bro like the prince of burners (Burners)  
Couldn't convince him further (Further)  
He want to just sink and burn it (Brrrt)  
Told him get money and leave it (Leave it)  
Every ten stack, I seal it (Aye, aye)  
Need that a thousand times, I got a thousand reasons  
I cut, grub, feel it  
Weigh it, wrap, seal it  
See the back block, it was mad hot  
See the hanesh, gotta run when you see them, ayy  
Now it's off a playlist (A playlist)  
Was in the trap spot with an apron (An apron)  
Keep your head down, there's surveillance  
Keep your head down, there's surveillance  
They're waiting, they want information  
It's blatant, I know they getting mad impatient  
Face it, I boogie with the white, Caucasian  
Boogie with it, I just get rid, I don't take it, ayy

On hold (On hold)

It's a weapon (A weapon), it's on me (On me)  
Tell him a back up, that wurdudom make man bleed (Make man bleed)  
Let's go, proceed (Let's go, proceed)  
I was locked down, now I'm free (I'm free)  
It was turbulent, now it's BackRoad Gee (BackRoad)  
If you can't pay man, take it away (Take it)  
Open your eyes, man got keep safe (Eyes)  
'Cause you don't wanna die on this stage (Don't)  
'Cause the wurdudom move that brakes (Brrt)

What you gon' do when the boys in black  
Come looking for you? (What?)  
[?] they know it's me (They know)  
Mandem is lurkin', they wan'- man for-  
Then it's back to the trap, [?]  
Alhamdulillah, I'm good
