Ay Em

(M-M-M-Mayan) Mmm

We got the kilo, mm  
Remember waitin' on the reload, mm  
Remember we was on zero, mm  
Had to spend it like casino, mm  
All we need is one time  
My jiggas see you, when you make you lunch time  
I was out here juggin' on the frontline  
Tryna make a come up for my bloodline  
My bro bro with the [?], stay protected  
Plug me with the plug, I need to stay connected  
I used to get the grub, I used to get it tested  
Now it's different, puttin' mandem on the guestlist  
I just checked it, show me where your evidence at  
I'm tired of pussies thinkin' that they're better than man  
[?] well I'm gettin' him grabbed  
Tried to get at me, oh, well, I'm gettin' him slabbed  
Gettin' him slabbed for dishonour  
We're comin' around, we're bad like karma  
You better use your balaclava, yeah  
Runnin' on the kid, they try to plot and I can tell, oh  
These pussies tried to plot and I can tell  
If you're gonna do it, do it now, you might as well, no, no  
Or I'ma have to do it all myself  
[?] put him on the shelf  
Stay connected everyday cah the medicine's on my mind  
I tried to make a come up, baggin' a shot and I kept supplyin'  
Everyday, callin' up the plug like "What's the damage?"  
TT grub, I gotta have it  
Why? 'Cause I need the rose gold Rollie two tone  
With a bad chick and she gon' bring me two more  
The mistakes that I made, wish I knew more  
Forgive me for my sins, I wish I knew more  
Eenie minie mo, I had to check up on some bruddas  
Cah them bruddas turned to suckers and they tried to do the duc  
kers  
And, eenie minie mo, I had to check up on him  
If the money ain't right, we put the weapon on him  
Taking Thai medicine  
I just wanna fly and get in my element  
I just wanna fly and get in my element  
Get some new money and buy residents and some fly residents
