Looking out across the night-time The city winks a sleepless eye Hear her voice shake my window Sweet seducing sighs

Get me out into the night-time Four walls won't hold me tonight If this town is just an apple Then let me take a bite

If they say, why, why? Tell 'em that is human nature Why, why does he do me that way?

If they say, why, why? Tell 'em that is human nature Why, why does he do me that way?

Reaching out to touch a stranger Electric eyes are everywhere See that girl, she knows I'm watching She likes the way I stare

If they say, why, why? Tell 'em that is human nature Why, why does he do me that way?

If they say, why, why? Tell 'em that is human nature Why, why does he do me that way?

I like livin' this way, I like lovin' this way

Looking out across the morning
The city's heart begins to beat
Reaching out, I touch her shoulder
I'm dreaming of the street

If they say, why, why? Tell 'em that is human nature Why, why does he do me that way?

If they say, why, why? Ooh, tell 'em

Why, why does he do me that way?

If they say, why, why? Cha cha cha Why, why does he do me that way?
If they say why, why, why? Ooh, tell 'em Why, why does he do me that way?

If they say, why, why? Ooh, tell 'em Why, why does he do me that way? If they say, why, why? Da da da Why, why does he do me that way? I like livin' this way
