Ayanis

It's rappers, actors, trappers, on my line  
Light-skinned, dark-skinned, flavors  
Tryna slide  
Baddie in pilates  
Working on my body body  
Baddie in pilates  
They on my body body

Why they be forgetting I'm the one  
Till I post a pic and have em acting up  
Gotta em blowing up my phone like they in love  
Don't piss me off  
(No no no no no)  
Fucked around and turn my swag on  
Now it's up  
(No no no no no)  
Soon as you get lit  
Niggas wanna interrupt

Don't forget  
You was talking to yourself  
In my DM's  
Don't forget  
Please, don't forget

It's rappers, actors, trappers, on my line  
Light-skinned, dark-skinned, flavors
