

# Throw It

Ayanis

Throw it  
You know what like  
Throw it  
Pop out and get right  
Throw it  
Big shooters get live  
Throw it  
Turn me up tonight  
Throw it  
You know what I like  
Throw it  
Come do it all night  
Throw it  
If you wanna show me  
You really like me

Throw it  
Throw it  
Throw it  
Throw it on me  
Throw it  
Throw it  
Throw it  
Baby come throw  
Throw it  
Throw it  
(Ohh ohh)  
On me  
Throw it  
Throw it  
Throw it  
Throw it on me

If you throw some on me  
I might throw it back  
If you threw already  
Throw a little more  
Hundo after hundo  
Talking big mun yun  
Keep me coming right back  
To you  
That pape know how to make me move  
If don't nothing else do  
We play to win don't play it cool  
You know what to do can you

Throw it  
You know what like  
Throw it  
Pop out and get right  
Throw it  
Big shooters get live  
Throw it  
Turn me up tonight  
Throw it  
You know what I like  
Throw it

Come do it all night  
Throw it  
If you wanna show me  
You really like me

Throw it  
Throw it  
Throw it  
Throw it on me  
Throw it  
Throw it  
Throw it  
Throw it  
Baby come throw  
Throw it  
Throw it  
(Ohh ohh)  
On me  
Throw it  
Throw it  
Throw it  
Throw it on me

Only one way to holla  
Nothing make me talk like a dollar  
Walk it down with a leash and collar  
Pretty pussy popping in some Prada  
Make it rain put it on the floor  
Fuck saving go and make some mo  
Soon as that next check hit  
Come and spend it on a sexy bitch

Sweet and spicy  
Pick a flavor  
Whatever I got on your favorite  
If you get my attention  
You stupid if you waste it  
Maybe I might entertain ya  
But never keep a bad bitch waiting  
If you got it  
Ya get it  
Try ya luck with me

If you throw some on me  
I might throw it back  
If you threw already  
Throw a little more  
Hundo after hundo  
Talking big mun yun  
Keep me coming right back  
To you
