

## Bitch Track

Ayesha Erotica

Heard you wanted a bitch track  
I guess I'm bringin' the bitch back  
Heard you wanted a bitch track  
I guess I'm bringin' the bitch back  
Heard you wanted a bitch track  
I guess I'm bringin' the bitch back  
Heard you wanted a bitch track  
I guess I'm bringin' the bitch back

My pussy tastes like bible verses  
Let's carry big rocks in designer purses  
Important as shit, bitch, check the price  
10 grand for a fuck, bitch, check the rates  
Yeah, fuck the states, I'm out overseas  
Got 10 boys still gettin' over me (I'm over)  
Cash flowin' up the ass, got a busy ass face so fuck me fast  
I'm snorting coke with Goldie Hawn  
My titties out, no panties on  
I'm soaking wet, I'm dripping sweat  
I'm off the stage, man, fuck the set  
I'm fresh meat, fat lips  
Fuck me on your mattress  
A.E. bitch, I'm that chick  
My pussy juice is magic
