

## Eat It

Ayesha Erotica

Check it!

I'm a spice puss, swallowed your piss

If I like your cock, I might swallow your fist

Dec-decadent cunt, still fuck to cum

Filled talk grease over beats and drums

I bang bang, still snort cocaine

Bitch gag on the rocks on my body chains!

Cunt, body and brains (check!)

Talent and fame (check!)

Still gettin' off from the sound of my name

Ayesha Erotica, I'm the boom in your car

A-a-and when you blast my shit in public, all the boys will get  
hard

They rock to me in Japan, in France they dance and they stan

Yeah, you know every fuckin' lyric, bitch yes fuck up my jam! (

Good God!)

They wanna fuck, fuck, fuck, fuck, fuck, f-f-fuck, f-  
fuck, fuck, fuck, fuck, fuck me!

They wanna fuck, fuck, fuck, fuck, fuck, f-f-fuck, f-  
fuck, fuck-

Oh my God!

Maybe if ya luck-, luck-, luck-, luck-, luck-, l-l-luck-, l-  
luck-, luck-, luck-, luck-, lucky

Maybe if ya luck-, luck-, luck-, luck-, luck-, l-l-
