

For The Girls

Ayesha Erotica

"Hi Ayesha", nice to meet ya
Six double O for a beat and a feature
Rocking my Juicy baby tee
I'm the raunchy motherfucker you pay to see
I got lip gloss, glitter tits
On a street corner just shaking my shit
I grew up on Kim, Fox and Madonna
Dream about Dolce & Gabbana
Please, sipping on rum & blue freeze
Pinch the nips, I'm a tease
Wanna get real coked up, wanna pop the percs
Lemme show you how it works
In a schoolgirl skirt with the knee high socks
Walk down the block and catch all the cops
Don't call the cops, I got hooking money
I'm the real life cartoon Playgirl bunny, bitch

Oh God
That's hot
Okay

I got accolades
Track shorts high when I pass the trade
In a flimsy top, bags still searched with the hems he bought
Ooh, the thighs are tanny
Big Juicy for a fucking Grammy
Big dick, I need a fucking whammy
Blood stains on my fucking panties, ooh
Baby come fuck with me, ooh-ooh
Baby don't fuck for free
Cheap liquor, expensive shit
I beat that bitch with a hit, lemme get a hit
Sit back, let the coke drip
Thigh-high boots with the satin slit
Out the back, I just let it slip
And here's a tip, suck on my tits

Is that my Red Bull?
Can you give it to me?
No, I'm recording a song
Hurry up

Ayesha, Ayesha, Ayesha Erotica
Ayesha, Ayesha, Ayesha Erotica
Ayesha, Ayesha, Ayesha Erotica
Ayesha, Ayesha, Ayesha Erotica
Big Juicy, Big Juicy, Big Juicy
Big Juicy, Ayesha, Big Juicy
Ayesha Erotica, Ayesha, Big Juicy
Ayesha Erotica

This is actually really good
If you listened
Oh, wait
It's only like two minutes but still it's really good
You should listen
