I could be your Marilyn Monroe, I can be Rihanna (Ah)
So call me Courtney Love, I'm your extra dose of drama (Uh-huh)
Your fans call you mother but bitch, my fans call me mama (Cunt)
I can give you Paris Hilton, I can give you Janet (Uh-huh)
I could give you Björk, but I don't think you'd understand it (Okay)
I could give you sex doll, bitch, you love these legend lips (Yeah)
And baby, I could give you model
With these double A-cup tits, eeow

I'm in your head like PCP
And boys, they love my A & T
That's why I let them pee on me
I still don't fuck in Cadillacs
My pussy tastes like Apple Jacks
Who made you hoes go back to crack? (Me)
