

I got a thin waist, model legs  
Lookin' pussy in the face  
Downtown, need a date?  
Your girlfriend can participate  
Ooh, yeah, do that there  
Boy, grab these tits and pull that hair  
Get hard on the spot when I do that stare  
So I do that stare  
Uh, I mix it up  
Catch me in the clubs I be mixin' up  
Short skirt, no panties when I kick shit up  
If you got a shirt on I'll rip it off  
I fuck the bed up, break the frame  
Boys do anything just because of my name  
If he all up in my money I ain't having that  
'Cause I beat that boy with a bat, smack

Damn, sorry I blew you off  
I was doing lunch with Microsoft  
I'm sucking off a C.E.O  
If he's not a millionaire then I've got to go  
I've got the blow, come snort it, Becky  
My pussy tastes like mom's spaghetti  
I do it for the girls, I do it for the ladies  
Now come and fuck me, baby

Oh, I'm nasty, oh, I'm nasty  
Oh, I'm nasty, fuck me, daddy  
Oh, I'm nasty, oh, I'm nasty  
Oh, I'm nasty, fuck me, daddy  
Oh, I'm nasty, oh, I'm nasty  
Oh, I'm nasty, fuck me, daddy  
Oh, I'm nasty, oh, I'm nasty  
Oh, I'm nasty

Now it's time for the breakdown, bitch  
Nasty, nasty, oh-oh  
Nasty, nasty, nasty, nasty  
Na-ooh

Oh, I'm nasty, oh, I'm nasty  
Oh, I'm nasty, fuck me, daddy  
Oh, I'm nasty, oh, I'm nasty
