## Ayesha Erotica

I'm 5'7, hazel eyes  
Disco lips, cherry pie  
Pistol kiss, bona fide  
I live life like I'm gonna die  
I'm getting high, getting by  
Threesomes? I'm getting that  
Nothing that I ain't gonna try  
Bump of K, I'm gonna fly  
Papi, what you wanna do?  
You got a cocaine twin in bed with you  
And I got a new trick that'll make you bust  
I'm a stone cold bitch you should never trust  
I clean the rust, clean your pipes  
Raunchy bitch, I earn my stripes

I'm nasty, baby, please don't push me  
Queen of the soft, baby, I'm pussy  
Wanking, wanking, wanking to Ms. Sancha  
Wanking, wanking, wanking to Ms. Sancha

Miss thing, miss thing, miss thing, miss thing  
I chew more meat than Burger King  
I hit my tip, keep my grip  
Floor performance and then I flip  
Shit, Ayesha got looks for days  
Low cut top in a summer raise  
And my summer ways, I hit the lines  
Tanning new in Miami sunshine  
If you want a fun time come fuck with me  
Cocaine perks, I'm a dusty B  
I'm a lusty B, all laid out ready  
Fucking up the floor like confetti  
You want a date? Well, she's arrived  
No killing my high, I will survive  
Pop my pills and pop my titties  
Don't hit clubs, I like to get gritty  
I like to get pretty, porno style  
Suck my crack, baby, crack my tail  
Fuck me in your '82 Benz  
Give a little sugar to all your friends  
I'm real, pockets smooth to feel  
Feminine energy, cold as steel

I'm going steady so please don't push me  
Queen of the scene, baby, I'm pussy  
Wanking, wanking, wanking to Ms. Sancha  
Wanking, wanking, wanking to Ms. Sancha

[illegible]

Uh-oh, yeah  
What? Ayesha Erotica, bitch  
'Cause baby, I'm pussy  
The pussy, the puss, the puss  
To the pussy, the pussy, the puss, the puss  
To the pussy, the pussy, the puss, the puss  
To the pussy, the pussy, the puss, the puss  
To the pussy, the pussy, the puss, the puss  
To the pussy, the pussy, the puss, the puss  
To the pussy, the pussy, the puss, the puss  
To the pussy, the pussy, the puss, the puss  
Baby, I'm pussy
