Ayesha Erotica

(Okay, one-two, everybody look what I can do!)
(I can bring my leg up all the way!)
(Can she do it? Can she do it?)
(Piece of cake!)

Ok bitch hai!
This 8-ball got me high
Turn up the music, and strap me in
And put this pussy in drive!
I've arrived, lookin' real nice and firm
Limo ride free when I fuck a chauffeur
Got champagne bottles in my purse
Lips look real plump, I know it hurts

Put it in park, dancin' in the dark
Pussy in stereo, call me Dick Clark
You're a fish, baby I'm a shark
Lemme munch the carpet, lemme lick you hard
Lemme kiss it hard, baby get that up
Tell me what you want, baby boy what's up
Wanna buy me a drink, it's coke and rum
I'm thinking of the ways to make you cum

Because tonight, I'm living in a fantasy, my own little trashy world
Tonight, don't you wanna cum in me? Do you think I'm a trashy girl?
Tonight I'm living in a fantasy, my own little trashy world
Tonight, don't you wanna cum in me? Do you think I'm a trashy girl?
Because tonight, I'm living in a fantasy, my own little trashy world
Tonight, don't you wanna cum in me? Do you think I'm a trashy girl?
Tonight I'm living in a fantasy, my own little trashy world
Tonight, don't you wanna cum in me? Do you think I'm a trashy girl?

Tight twat, get it hot
Let your friends come hit the spot
I'm trash, brash, love the cash
Spread me open, spit in my ass
If you wanna make me scream
Fill my mouth up with your cream
Adderall and cheap bikinis
I suck on titties and the weenies

(X, X, triple-triple X, X)
I'm on my stepfather's yacht selling sex, sex
I'm lookin' real coked up, I love them pills so much
I'm driving DUI, with a warmer bitch I'm real woke up

Because tonight, I'm living in a fantasy, my own little trashy world
Tonight, don't you wanna cum in me? Do you think I'm a trashy girl?
Tonight I'm living in a fantasy, my own little trashy world
Tonight, don't you wanna cum in me? Do you think I'm a trashy girl?

Tonight I'm living in a fantasy, my own little trashy world

Uh! Everybody look what I can do!
(Okay, one-two, everybody look what I can do!) Are you ready!

(I can bring my leg up all the way!) Let's go!
