

You Were The Tease

Ayesha Erotica

I'm ready, I'm ready
I'm ready, I'm ready
I'm ready, I'm ready
I'm ready, I'm ready
I'm ready, I'm ready
I'm ready, I'm ready

I'm picking up on the energy
You've been so hellbent to get rid of me
I fought you long and hard
But you just disregarded me

Get your hands on my face
You know I won't get my taste
You prefer the ones to lines
And I just wanna waste your time
Get your hands on my face
You know I won't get my taste
You prefer the ones to lines
And I just wanna waste your time

Come pick me up, come pick me up (I'm ready)
Come pick me up, come pick me up (I'm ready)
Come pick me up, come pick me up (I'm ready)
Come pick me up, come pick me up (I'm ready)

I don't care
About your underwear
I don't care
About your underwear

Fell asleep, now is that my cue?
Will I get in trouble moving in on you?
I've got you long and hard
You can play the part of him

Get your hands on my face
You know I won't get my taste
You prefer the ones to lines
I just wanna waste your time
Get your hands on my face
You know I won't get my taste
You prefer the ones to lines
And I just wanna waste your time

Come pick me up, come pick me up
Come pick me up, come pick me up
Come pick me up, come pick me up
Come pick me up, come pick me up

I don't care
About your underwear
I don't care
About your underwear

The longer you're with me
The less that you're with them

The longer you're with me
The less that you're with them

I'm ready
I'm ready (Come)
I'm ready (Come)
I'm ready (Come)
I'm ready (Come)
I'm ready (Come)
I'm ready (Come)

Come pick me up, come pick me up (I'm ready)
Come pick me up, come pick me up (I'm ready)
Come pick me up, come pick me up (I'm ready)
Come pick me up, come pick me up (I'm ready)

I don't care
About your underwear
I don't care
About your underwear
