

## Tougher Than Tough

Aynsley Lister

Well, that price is gettin' steeper  
Money's gettin' cheaper  
I found myself a woman  
But I just couldn't keep her

Times gettin' tougher than tough  
Things gettin' rougher than rough  
Whoa, I make a lot of money  
I just keep spendin' the stuff

Well now, pork chops on the market  
I ask the butcher for a pound  
I couldn't buy a pork chop  
When I laid my money down  
Times gettin' tougher than tough  
Oh, I said things're gettin' rougher than rough  
Oh, I make a lot of money  
I just keep spendin' the stuff, oh yeah

Well now, times gettin' tougher than tough

I said, things gettin' rougher than rough  
Oh, I make a lot of money  
I just keep spendin' the stuff

Well, I can't afford to live  
I guess I'll have to try  
I haven't got the money  
And it cost too much to die

Times are gettin' tougher than tough  
I said that things are gettin' rougher than rough  
Oh, I make a lot of money  
I just keep spendin' the stuff

Oh, I make a lot of money  
I just keep spendin' the stuff

I said, I make a lot of money  
I just keep spendin' the stuff
