

## 10 Over 10

Ayo Jay

Oh my girl is a 10 over 10 I swear (I swear)  
I de call her my baby my boo my dear (My dear)  
And I know many fine fine girls but they don't compare (Compare)  
Now she de make me change ahh

She's a blessing (Blessing)  
Heaven sent from above that's what I'm guessing (What I'm guessing)  
'Cause every time I'm with this girl it's so interesting  
And that smile on her face is so impressive  
That's why I'm here confessing

Oh my girl is a 10 over 10 I swear (I swear)  
I de call her my baby my boo my dear (My dear)  
And I know many fine fine girls but they don't compare (Compare)  
Now she de make me change ahh

She can cook, she can clean, she can dance  
Maybe luck, maybe fluke, maybe chance  
See that woman puts me in a trance  
See my baby girl is everything I need  
She can cook, she can clean, she can dance  
I want to put her mom in the house  
Spend all my money take her to France  
She don't realize how much she means to me  
(Oh how much she means to me)

Oh my girl she's a 10 over 10 I swear (I swear)  
Gotta go hard every time when I see her dancing (I go hard hard yeah)  
I know many girls she's the best that I ever had (ah)  
So I gotta let you know  
She's a queen, she's a boss, she's a dancer  
Every time that I call she go answer  
She's so cold that I call her Alaska  
I mean I never seen this kind of thing in my life  
When I go faster and faster (faster)  
In the bedroom she calls me the master  
She's my girlfriend  
A 10 over 10  
Oh my girl
