

# Act Up

Ayo Jay

Shawty looking pretty with the edges and shit  
And she came with her friends and they all wanna dance  
And I got enough bands that I don't know what to do with right now  
Said she wanna shake the booty left cheek right cheek  
Cos she came with her friends and they all wanna dance  
Cos I got enough bands that I don't know what to do with right now

So I tell her back up  
Drop to your knees and act up  
Shake ya body girl, freeze, then mash up  
Got a couple of Gs, they're stacked up  
And I wanna spend it on you girl  
Back up!  
Drop drop to your knees and act up  
Shake ya body girl, freeze, then mash up  
Got a couple of Gs, they're stacked up  
And I wanna spend it on you girl

When I was younger  
Mama used to tell me young boy  
Use brain omo mi don't dull  
Cos don't nobody wanna carry last o  
Take what you want, never settle  
You shine your eyes to be very successful  
If you see girl wey fine  
Collect am no time

So I tell her back up  
Drop to your knees and act up  
Shake ya body girl, freeze, then mash up  
Got a couple of Gs, they're stacked up  
And I wanna spend it on you girl  
Back up!  
Drop drop to your knees and act up  
Shake ya body girl, freeze, then mash up  
Got a couple of Gs, they're stacked up  
And I wanna spend it on you girl
