

Think About Me

Ayo Jay

It's one nation oh
It's one nation oh
All I want to know if I no dey do you think about me about me
All I want to know if I no dey do you think about me about me
Your love is final I know
There is nobody finer I know
You're one a kind o I know
See I think about you all the time o
All I want to know if I no dey do you think about me about me eh eeii

Sisi Omolade oo omoge you fine walahi
I'm loving your smile I like how you do your eyes
Wo bi o se n jo ooo dandan ni pe mo ma come alive
I know for your mind you know say na you I like

Oo le so fun mi pe oo mo se
All the time you know say you dey my mind
Oo le so fun mi pe oo mo se
Every day is turning to every night
A ni oo le so fun mi pe oo mo se
All the time you know say you dey my mind
Oo le so fun mi pe oo mo se eh ye eee

All I want to know if I no dey do you think about me about me eh eeii
All I want to know if I no dey do you think about me about me eh eeii
Your love is final I know
There is nobody finer I know
You're one a kind o I know
See I think about you all the time oh
All I want to know if I no dey do you think about me about me eh eeii

You dey my side when I dey around
Where you go dey when I no dey around
Shey you go wait or you'll do sina
Ife wa n gbono sho ma je ko jina
I want your love I want your loving I want your trust baby all the above o
You dey make me fall in love o
And that is the reason I sing this song o

Oo le so fun mi pe oo mo se
All the time you know say you dey my mind
Oo le so fun mi pe oo mo se
Every day is turning to every night
A ni oo le so fun mi pe oo mo se
All the time you know say you dey my mind
Oo le so fun mi pe oo mo se eh ye eee

All I want to know if I no dey do you think about me about me eh eeii
All I want to know if I no dey do you think about me about me eh eeii
Your love is final I know
There is nobody finer I know
You're one a kind o I know
See I think about you all the time oh
All I want to know if I no dey do you think about me about me eh eeii

African chants and melody

Baby I want to know
Baby I want to know
Baby I want to know

See I can be the butter on your bread if you let me be
I can be the sugar in your garri if you let me be
I will be your shield I will travel with the enemies
I will be your friend if you if you let me be
