

# Whine Pon It

Ayo Jay

Promise me  
Everything we do tonight stays here girl promise me  
Every single thing I'm doing right now is for your to see  
There's so many things you don't know that your body's doing to me  
What you gonna do with me?

Honestly (Honestly)  
Didn't know it was fat like that, girl it's promising (It's promising)  
Baby I don't dance don't wanna make a fool of me  
So what you gonna with me?  
I'm telling you I'll probably sit in this chair  
And show off my jewelry  
While you

Wine pon it  
Grind on it  
No need to rush, take your time on it  
Climb on it  
I want it  
Girl, do your thing cos I'm fine with it  
Pawonlo  
I'm feeling it  
Girl, I am feeling how you killing it  
Wine pon it  
Grind on it, yeah yeah yeah yeah

Go on bae, whine real slow go low  
See I'm really hoping we would last  
But I don't wanna promise anything  
Don't want issues in my life  
Bartender bring the Hennessy  
Cos I'm here having fun with my Gs  
And I don't want no bad energy  
It's against everything that is me

Girl, you look so damn fine right now  
Girl, that smile on your face got you looking so divine right now  
Tell me everything that you're feeling cos I'm feeling so inclined right now  
To give you access to my money so you know there is no decline right now  
So baby

Wine pon it  
Grind on it  
No need to rush, take your time on it  
Climb on it  
I want it  
Girl, do your thing cos I'm fine with it  
Pawonlo  
I'm feeling it  
Girl, I am feeling how you killing it  
Wine pon it  
Grind on it, yeah yeah yeah yeah

I used to think bout you (Used to think about your body)  
(Back in the day)  
Back in the day, when I show you love you dey follow me play  
I used to think about you, everyday (Everyday)

But now I gat girls dem calling me bae

So now I'm  
Moving forward  
Moving forward  
Moving forward  
It's only right you told me I'm a coward  
Moving forward  
Moving forward  
Moving forward  
It's only right you told me I'm a coward  
So baby

Wine pon it  
Grind on it  
No need to rush, take your time on it  
Climb on it  
I want it  
Girl, do your thing cos I'm fine with it  
Pawonlo  
I'm feeling it  
Girl, I am feeling how you killing it  
Wine pon it  
Grind on it, yeah yeah yeah yeah
