

Gettin' Off

Ayo & Teo

Yeah, yeah, yeah
Yeah yeah yeah yeah, yeah yeah yeah
Uh, woah woah woah, woah woah woah
Yeah yeah yeah

Told her the link is Gucci marina
Wet like the sea, water Aquafina
Wanted a bad bit now I don't need her
(Uh, yeah) Now I don't need her
Moving too fast and not going her speed
She throw it back she looking at me
I'm throwing racks it feel like a streak
(Uh, yeah) Young niggas free

Wanted her name it sound like Bree
You act just like this bit named Monique
She wanted to text me, tryna tweet
Look at the sky in the moonwalk we speed
Baby girl I didn't know you a freak
Add me on Snapchat let's get a streak
Butterfly you can come with me to Greece
(Uh, yeah) She hot like some grease

Told her the link is Gucci marina
Wet like the sea, water Aquafina
Wanted a bad bit now I don't need her
(Uh, yeah) Now I don't need her
Moving too fast and not going her speed
She throw it back she looking at me
I'm throwing racks it feel like a streak
(Uh, yeah) Young niggas free

Rose gold, hitting her straight from icebox
Shinning hard diamond buzzing all on my watch
Hoping these lives that we're living don't never stop
Spending this fortune, this money don't never stop
Getting a personal pressure we make about
slightly New York underground we milly rock
Niggas ain't members you ain't know how to get a chrome
back in the day we know how to keep the phone

This lifestyle, this movement
This wave, yeah we getting off
Uh, shit, yeah
We paid, yeah we getting off
This lifestyle, this movement
This wave, yeah we getting off
Getting off, yeah
We paid, yeah we getting off
Huh, yeah, we paid
We getting off
Remember they tried to treat us like some slaves
The chains we got them off
Now after I'm done dancing on the stage
She wanna top me off
I hit it out of the paw like I'm Mutombo

Told her the link is Gucci marina
Wet like the sea, water Aquafina
Wanted a bad bit now I don't need her
(Uh, yeah) Now I don't need her
Moving too fast and not going her speed
She throw it back she looking at me
I'm throwing racks it feel like a streak
(Uh, yeah) Young niggas free
