

# Hold My Sauce

Ayo & Teo

Hold my sauce  
Haters loss  
I'm a boss  
Diamonds clear like Voss  
What's the price  
Private flights  
Outta sight  
And I'm dripped up right  
Hold my sauce  
Haters loss  
I'm a boss  
Diamonds clear like Voss  
What's the price  
Private flights  
Outta sight  
And I'm dripped up right

What's the price  
Like a hunnid' K  
Dunkin' 'em up like a runaway  
My diamonds shine when the sun away  
Hold my sauce (hold it)  
Drippin' you can tell by the walk (hey)  
All y'all haters gone talk (facts)  
Chain so tight I might cough  
One hand randyma (dab)  
Never gone take a loss (no)  
Never gone spill my sauce (hold it up)  
Last round I'm a boss

Hold my sauce  
Haters loss  
I'ma boss  
Diamonds clear like Voss  
What's the price  
Private flight  
Outta sight  
And I'm dripped up right  
Hold my sauce  
Haters loss

What's the price  
Private flight  
Outta sight  
And I'm dripped up right
