And we back in better than ever, tell everyone
And we ballin', might hit the floater

We see these trolls in person

Cock hangin' on yeah we grew up
Bitches be lit, Thanos be stuffed
With cocaine I'm drunk, shit but that's a no brainer huh (yeah)

And she thought I put on a show
But the beat drop came back like-

Let's see how fast life flow
The weed man know that we can't go with this cheap
