

# Stop Drop Roll

Ayo & Teo

I put on my ice, ice baby, now I'm back home  
And my friends got shady, time to let go  
Everybody tried to play me, I was like whoa  
Young, young hot nigga, stop, drop, and roll

Stop, roll, stop, drop, roll  
Stop, roll, stop, drop, roll  
Stop, roll, stop, drop, roll  
Stop, roll, stop, drop, roll  
Stop, roll, stop, drop, roll  
Stop, roll, stop, drop, roll  
Stop, roll, stop, drop, roll  
Stop, roll, stop, drop, roll

I'm on a roll  
I be in a foreign whip and dripping in the cold  
Diamonds been like [?]  
Big change, foreign shoes, that's just how it goes  
That's how it goes

Since we got rich, people want attention  
You can tell she like these bands  
How I flip it, flip it, dance for a minute  
Hit the gas, get you lifted, lifted  
Yeah, we cannot turn down, late to the sun down

I put on my ice, ice baby, now I'm back home  
And my friends got shady, time to let go  
Everybody tried to play me, I was like whoa  
Young, young hot nigga, stop, drop, and roll

Stop, roll, stop, drop, roll  
Stop, roll, stop, drop, roll  
Stop, roll, stop, drop, roll  
Stop, roll, stop, drop, roll  
Stop, roll, stop, drop, roll  
Stop, roll, stop, drop, roll  
Stop, roll, stop, drop, roll  
Stop, roll, stop, drop, roll

Now I'm calm  
You said my name like [?]  
Can't play this game no more  
We'll never change, never fall  
You know how it goes  
I been [?] that's the chicken chicken  
I just let my diamonds dance  
Watch 'em get it, get it  
[?] lick it  
Feel like the world is in my hands  
I'm God's plan

I put on my ice, ice baby, now I'm back home  
And my friends got shady, time to let go  
Everybody tried to play me, I was like whoa  
Young, young hot nigga, stop, drop, and roll

Stop, roll, stop, drop, roll  
Stop, roll, stop, drop, roll  
Stop, roll, stop, drop, roll  
Stop, roll, stop, drop, roll
