

## Timing

Ayo & Teo

Yeah, yuh, yea, yea, huh, huh  
Yeah yeah yuh woah  
Woo!

Let's get higher girl  
I know ya feelin the vibe  
See all I know is it's about timing  
And to the top we goin nah we not climbing  
Told her I want top so my seat need to recline  
Loyalty is what anybody around us define  
Royalty is when you got diamonds but they tell the wrong time  
Royalty is when you got diamonds but they tell the wrong time  
We gone continue to shine  
And nah I'm not rappin  
I know how to rhyme  
And no I'm not trappin but I know how to hide it  
Wrap it  
Gift it  
And pack it up  
And ship I fly it

This shit perfect timing Yea  
This shit perfect timing yea  
I need perfect timing  
Even if time feel off I'll make sure We do alright  
Keeping our head strong  
Roll that zaza, we feel all right  
Shawty want a line we kick her out yea that's a fiend  
Pouring up all night is what we do yea join the team  
Spend about 5k for a section at the Gold room  
Niggas poppin bottles for a check then we leave yea  
Going overseas we see them mountains brand new scene  
Feeling so blessed I catch view then blow some green yea  
When I'm in France I rub some ass n sip on tea  
Then take a nap and hit repeat yea  
Then hit repeat

Let's get higher girl  
I know ya feelin the vibe

Don't need a notebook this off the mental fuck writing  
Our swag yeah they took  
We do this shyt without trying

Nah I'm not a rookie  
We cookin in the kitchen frying  
Grandma taught me the boogie  
Watching James brown and Michael  
Remember I use to get bullied  
Now they look at me as an idol  
She want me to want me to bake up the cookie  
I light the blunt we flying  
Moonwalkin on the waves yeah my money tall like Eiffel  
No toy story I'm like woody yeah you know I give her the pipe  
She slidin she said can she spend the night  
Girl no you know that ain't right huh  
Young niggas just living life  
And I'm not lookin for a muufuckin wife shit but

Let's get higher girl
