

Ocean

Ayo

Your love is like the ocean
I wanna dive into
Infinite devotion
Is what I feel for you
Your love is like utopia
So pure and divine
It's like heaven on earth
When our souls intertwine

A once in a lifetime
Rare as devil stones
Impossible to find
Like the diamond of hope
A flower that grows
On the very top of the mountain
A long walk through the desert
Just to get to the fountain

Your love is like the ocean
I wanna dive into
Infinite devotion
Is what I feel for you
Your love is like utopia
So pure and divine
It's like heaven on earth
When our souls intertwine

Like the white peafowl
Far down in India
They're so beautiful and rare, you are
I'd swim a million miles for you
I'd follow the stars
I wouldn't be afraid to die
If it was the only way to get to where you are

Your love is like the ocean
I wanna dive into
Infinite devotion
Is what I feel for you
Your love is like utopia
So pure and divine
It's like heaven on earth
When our souls intertwine

Your love is like the ocean
Like the ocean
Like the ocean
Like the ocean
